

YEAR 8 LEARNING JOURNEY INFORMATION

MUSIC

Reggae

KNOWLEDGE I will learn about music from the Caribbean. I will learn to recognise and perform different parts of a Reggae song.

SKILL I will develop my performance skills and begin to perform with others.

Ukulele

KNOWLEDGE I will learn about parts of the ukulele and techniques required to play the ukulele. I will begin to explore chord symbols and tab notation.

SKILL I will develop my performance skills on the ukulele, being able to play a variety of chords and riffs.

Folk Music

KNOWLEDGE I will learn about the origins and features of folk music. I will be able to recognise typical instruments found in folk music.

SKILL I will continue to develop my performance skills by working on a performance of 'The Wellerman'.

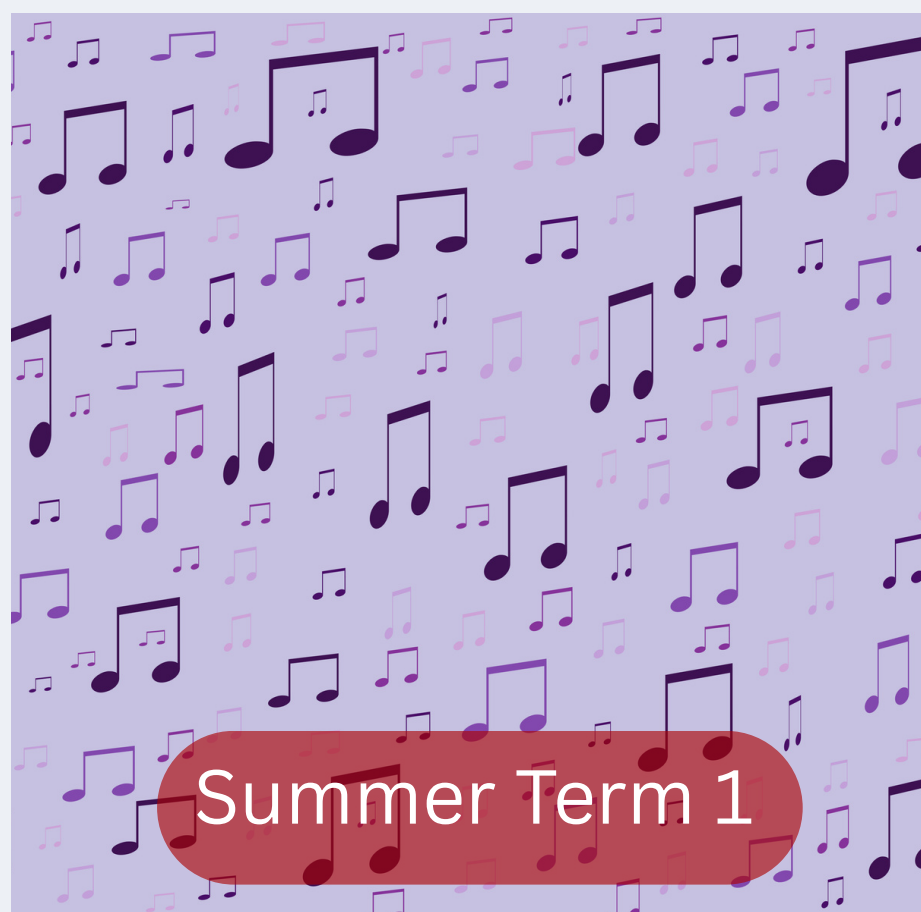

Blues and Jazz

KNOWLEDGE I will learn about the history of blues and jazz. I will learn about key features such as a walking bass line and the 12 bar blues.

SKILL I will be continue to develop my performance skills and will explore improvising using the blues scale.

Musical Patterns

KNOWLEDGE I will learn about the importance of repetition in music and be able to identify how patterns are used in a wide range of music.

SKILL I will continue to develop my composition and performance skills.

Video Game Music

KNOWLEDGE I will learn about how video game music has developed by exploring examples from different times.

SKILL I will explore how to compose for a given brief.
