Dear Parent or Carer,

School Library

The library has a wide variety of fiction titles available for students to borrow covering many genres and suitable for all interests and abilities.

Some of these include young adult titles which means they are written for teens in the 14-18 age range. This categorisation is not based on reading ability but on content such as language, themes and issues.

Whilst your child is in Years 7 and 8, there are no automatic restrictions on what they may borrow from the school library. However, if you would prefer that they are not permitted to borrow young adult titles during this time, please let me know by contacting school at office@westcraven.co.uk quoting your child's name and form group.

If you require any additional information or have any questions at all, please do not hesitate to the school office.

Yours sincerely,

S MacDonald
