Power to Perform - Thursday 25 September 2025

On Thursday 25th September we have organised our Power to Perform parents' information evening. This evening is for all parents of Year 11 students this year. We will be sharing specific information for parents and carers regarding this crucial year.

Parents information evening: **Thursday 25 September 6.00pm**

The evening will consist of 3 important elements.

- Key information regarding dates and deadlines in the year; college application, coursework deadlines, exam dates, etc
- Sharing strategies for revision that have already been shared with the students. This will help support you to help maximise your child's outcomes in the summer exams.
- Q&A with the Senior Leadership team. An opportunity to ask any questions.

We will also be giving all students a comprehensive revision pack with the specific revision guides they need, revision materials and information on the relevant exam boards and access to revision materials such as GCSE pod and past papers.

This event has been set up to support our Year 11 and you, as their parents, in this important year. By the end of the event, you and your child will be equipped with revision strategies and tools that help students prepare for their exams. We have arranged this in September, as the first mocks begin in November, immediately after October half term. This final year will move very quickly, with the final GCSE exams starting in May 2026.

We are helping our students prepare from the very start of Year 11, where we expect students to work and revise independently for 2 hours each school night. We will also help students plan a healthy balance of revision during weekends and holidays in the school year. We will encourage students to adopt good habits and the importance of rest, as well as time for extra-curricular activities and time with friends and family.

I look forward to seeing you on the Thursday 25 September.

Yours sincerely,

Mr J Bates
Principal
