## Year 11 Revision Programme

Dear Parent/Carer,

As we continue to prepare our year 11 pupils for their upcoming mock examinations, we would like to inform you of the current resources available to help your child to revise and feel ready for these examinations.

We are working hard as a school to ensure that all of our Year 11 students are fully supported in the run-up to their mock exams and GCSEs. Every Year 11 student during next week will receive a new revision planner and a revision strategies guide to help them organise their independent study effectively at home.

These documents can be used to help your child to plan their revision over the upcoming weeks and months. Please encourage your child to use these documents and write down their revision each week.

We have created and shared with you a comprehensive revision timetable which sets out the after-school Period 6 sessions available for each subject. These sessions will give students valuable opportunities to consolidate their learning and access tailored support from their teachers after school.

Current period 6 opportunities are:

Monday – Science

Tuesday – English

Thursday – Maths

Friday – CVOC - which includes art, photography, catering and technology

In addition, Year 11 students have the opportunity to take part in revision sessions during the second week of the October half-term, further details have been shared with you.

Thank you for continuing to support your child during this important stage of their education.

Yours sincerely,

Mr J Bates  
Principal

Kelbrook Road, Barnoldswick, Lancashire BB18 5TB
