5 December 2025

Dear Parent or Carer,

We will be re-setting class groups in Years 8 to 10 with effect from 8 December. This is based on teacher assessment and students' prior attainment. We take into account all of the information we have about our students in consultation with teachers and the pastoral team when making this professional judgement.

These changes are to ensure that students are taught in classes where the learning can be adapted to the specific learning needs of the group. This approach is designed to provide a learning environment that enables every student to make the best possible progress and achieve to their full potential. We will continue to review student progress regularly throughout the year and make adjustments to class groups as necessary.

For the vast majority of students there will be no change. Students will be issued with new timetables on Monday in form period.

Thank you for your continued support in helping us provide the highest quality education for your child. If you have any questions or would like further information, please do not hesitate to contact me.

Yours sincerely,

Mr M Balal
Assistant Principal
