

# MODERN FOREIGN LANGUAGES INTRO TO YEAR 7

Bonjour! Hola!

Welcome to Modern Foreign Languages at the West Craven High School. In Year 7 you will study either French or Spanish.

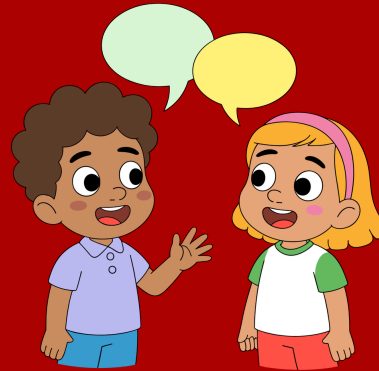

In your lessons you will start to learn how to talk about yourself and your family, your likes and dislikes, your hobbies and where you live. You will have lots of chances to practice talking and listening and you will also quickly get used to writing your new language too.

Q. What if I have never studied another language?

A. Don't worry! We will teach you everything you need to know.

Q. Do I have to study a language?

A. Learning a foreign language is an important life skill so all pupils in Year 7 study either French or Spanish

Mr W Davidson  
Head of Humanities and MFL
