22 June 2026

Dear Parent and Carers,

School Sports Day – Monday 20 July 2026

On Monday 20 July students will have the opportunity to take part in a whole school inclusive sports day. Students will be able to take part in a form-based competition that incorporates both team and individual events, ranging from football to the traditional egg and spoon race. Your child will be involved in a selection process during form period.

If your child is taking part on the day, please ensure that they come to school in full correct school P.E. kit. Failure to arrive in correct P.E. kit will jeopardise their involvement in the day as it denotes an attitude not reflective of our high standards and expectations. If your child is not directly involved in the sporting action it is essential that they attend school in full correct school uniform on that day and in so doing, will be involved in spectating and supporting their form group team participation.

Students taking part are advised to bring plenty of water and check the weather forecast in anticipation of needing sunscreen or warmer clothing. If we are unfortunate to experience poor weather students will spend the remainder of the school day in forms, during which time students will be taking part in a series of classroom-based sports related cross curricular activities, including some indoor sports competitions.

If you have any queries regarding the event, please do not hesitate to contact me by emailing office@westcraven.co.uk quoting your child's name.

Yours sincerely,

Mr D Wilson
