

# YEAR 7 FORM TUTOR

## (7ABA)

**Name:** Miss A Bateman

**Role:** Teacher of Physical Education

**Subject Taught:** Physical Education

### About Me:

I am currently in my 23rd year of teaching Physical Education, three of which have been at West Craven High School. My role as a PE teacher is to deliver a broad and balanced PE curriculum that enables all students to experience lots of different sports and activities and to encourage them to participate in activities beyond the classroom.

If you are in any of my PE lessons, you can expect to have fun, develop lots of skills that enable you to learn new sports or activities, and make progress at a pace that challenges you as well as supports you. I always encourage students to adopt a positive mindset as this really helps them achieve more than they usually think is possible.

I take pride in helping students to develop confidence and communication skills as individuals, as a team member, and to find a way to use these skills in everyday life. Sport and physical activity will help your physical, mental, and social wellbeing, so I like to teach students the importance of staying active while also building self-esteem and respect for others.

### Fun Fact:

Football is my favorite sport, and I have played in the women's premier league for Blackburn Rovers Women FC. Other teams I have also played for are Preston North End Women's FC and Liverpool Women FC.

# YEAR 7 FORM TUTOR

## (7EEV)

**Name:** Mrs Evora

**Subject Taught:** Science

### About Me:

I am Mrs Evora, and I have been part of the school for five years. For the first four years, I worked as a Science Technician before moving into teaching, where I have now been a Science Teacher for one year. This experience has given me a strong understanding of how science works both in the classroom and behind the scenes.

I teach across the sciences, with a particular passion for Biology. My favourite topics to teach are evolution and genetics, as I enjoy helping students understand how life changes and develops over time. I am also a specialist in Chemistry and enjoy supporting students in building confidence across all areas of science. I aim to make my lessons engaging and to break down complex ideas into simple, easy-to-understand concepts so that every student can succeed.

As a form tutor, I really care about my students and their wellbeing. I want everyone in my form group to feel supported, valued, and confident as they begin their journey at secondary school. I will work closely with students to help them develop independence, organisation, and a positive attitude towards learning, and I will always be there to guide and support them.

**Fun fact about me:** I love to travel and have lived in three different countries! I have also had the amazing opportunity to work with both turtles and sharks.

I am really looking forward to meeting you all next year and helping you settle into school life. We will work together to ensure you have a positive and successful start to your secondary school journey.

# YEAR 7 FORM TUTOR

## (7SHO)

**Name:** Mr Holt

**Subject Taught:** Design and Technology

### About Me:

I am passionate about Design and Technology, particularly Product Design, where students have the opportunity to turn their ideas into reality. I enjoy helping students design and make products, develop practical skills, and use modern technologies such as CAD/CAM. One of the most rewarding parts of my job is seeing students create something they are proud of and watching their confidence grow throughout the year.

As a Year 7 tutor, I am looking forward to getting to know my tutor group and supporting them as they make the transition from primary school to secondary school. Starting a new school is an exciting time, and I want every student to feel welcomed, supported and encouraged to make the most of every opportunity available to them.

**Fun Fact:** Most weekends, you'll find me either playing rugby, watching sport, or taking my dog, Scooby, for a walk!

# YEAR 7 FORM TUTOR

## (7DWI)

**Name:** Mr Wilson

**Role:** Head of PE

**Subject Taught:** PE

### About Me:

I have been teaching at West Craven High for over 30 years and have taught PE to lots of students in the town (possibly your mum or dad). As Head of PE, my role is to ensure all students have the opportunity to take part and enjoy a variety of sporting activities, hopefully leading them towards finding a physical activity that will stay with them into later life. I also am in charge of School Council, Eco groups, Pupil Ambassadors and run the Duke of Edinburgh Award for older students.

**Fun Fact:** I've run both the New York and London marathons.
